

## Support for Congressman Gottheimer

The Congressman will be calling on officials to create a real-time, public infrastructure-specific website to easily track competitive federal grant opportunities available to towns, local governments, and nonprofits.

**Who:** Congressman Gottheimer

**What:** Real-Time, Public Infrastructure-specific Website

**Where:** Underneath the Route 4 Bridge in Teaneck

**When:** Monday July 10, 2023 @ 10:30 am

**Why:** Website will track competitive federal grant opportunities available to towns, local government, and nonprofits.

Josh is asking all Bergen County Building Trades and members to please come out and show your support.
